Important Cautions Regarding Forward Looking Statements

This press release contains certain "forward-looking statements" within the meaning of federal securities laws. All statements, other than statements of historical facts, included herein are "forward-looking statements" including, among other things, statements about Belite's beliefs and expectations. The expectations reflected in these forward-looking statements involve significant assumptions, risks and uncertainties, and these expectations may prove to be incorrect. Investors should not place undue reliance on these forward-looking statements, which speak only as of the date of this press release. Potential risks and uncertainties include, but are not limited to, risks discussed in Belite's filings with the U.S. Securities and Exchange Commission at www.sec.gov. Other than as required under the securities laws, the company does not assume a duty to update these forward-looking statements.
