

Belite Bio, Inc may be deemed to be classified as a passive foreign investment company (PFIC) under United States federal income tax principles in the year 2025. As such, individual shareholders and warrant holders who are United States taxpayers should-consider the application of United States federal income taxation rules applicable to PFICs. Shareholders and warrant holders who are United States taxpayers should discuss with their tax advisors the reporting requirements, United States federal income tax implications and eligibility to make certain elections with respect to owning shares and/or warrants in a PFIC. Shareholders should contact their own tax advisors for information on correctly completing Form 8621. This information is not available from Belite Bio, Inc.

Belite Bio, Inc
PFIC Annual Information Statement for the year ending December 31, 2025

1. The statement applies to the taxable year beginning on January 1, 2025 and ending on December 31, 2025.
2. The Shareholder's pro rata shares of the ordinary earnings and net capital gain for the taxable year indicated in paragraph (1), above are:
Ordinary Earnings: \$0.00/share
Net Capital Gain: \$0.00/share
3. The amount of cash and fair market value of the other property distributed or deemed distributed to the Shareholder during the taxable year indicated in paragraph (1), above, are:
Cash: \$0.00/share
